Question 1

STUDENT DATABASE

The image shows the Zoho One dashboard interface. At the top, there's a navigation bar with the Zoho logo and links for Products, Customers, and Company. The main area displays a grid of application tiles: CRM, Mail, Desk, People, Creator, Books, Projects, and Connect. Each tile includes a brief description and an 'ACCESSSED' status with a link to view details. On the right, there's a 'My Account' section with a 'Sign Out' link.

Below the dashboard, there's a 'DEVELOP' section. It features a sidebar with navigation options: Solutions, Microservices, Environments, Mobile, Portal, Users, Organization, and Governance. The main content area shows a list of applications deployed in the 'Dev' environment. The applications are:

- student database**: Created on Apr 29, 2023. Status: Application. Environment: Dev.
- course registration**: Created on Apr 29, 2023. Status: Application. Environment: Dev.
- Library Book Reservation**: Created on Apr 28, 2023. Status: Application. Environment: Dev.
- Property Buying and Rental Process**: Created on Apr 28, 2023. Status: Application. Environment: Dev.
